

# Join 4,600+ Mainers reducing their carbon footprint

Did you know there's a simple way to reduce your carbon footprint and support renewable energy right here in Maine? Whether you're a homeowner, renter, or business, you can easily reduce your environmental impact by enrolling in Maine Green Power.

With **Maine Green Power**, you can match all or a portion of your electricity use with 100% Maine-made renewable energy. The program is:

### LOCAL

Supports Maine-based renewable energy projects

### SUSTAINABLE

Reduce your carbon footprint by matching your home's electricity use with emission-free renewable energy

### SIMPLE

No contract, third-party billing, or installation hassles. Cancel anytime.

### AFFORDABLE

Match 250 kWh of your electricity usage for an additional \$4.95 a month

It's as little as \$4.95 per month to easily reduce your carbon footprint.

Over 4,600 Mainers have already made the commitment to make a difference by being a part of the Maine Green Power community.
